

To the Judge of the Day:

It has come to my attention that the Federal Detention Houston Texas is in contempt of Court.

Exemplary of the numerous contemptuous actions are the failure to provide medication and specifically, psychiatric medication to a person whom the Court ordered to get said medication.

The refusal to feed appropriately those in need of a special diet. Forcing people with no teeth to eat foods that cause severe gum damage and more ...

It is my determination that the proximate cause of the failures and incompetencies is lack of funding.

I do hereby petition the Court for an order forcing Congress to appropriately fund all institutions in the FBOP, including FDC Houston, or be found in Contempt of Court.

You have both the jurisdiction and authority to do so, based on the Checks and Balances role provided in the Constitution.

Respectfully submitted,

Scott Thomas Provost #02923506
